5.1 Telecommunications

The Zone had identified Telecommunication as a priority issue. Based on this the Zone invited Boyd Brown, Telstra Retail and Regional, Regional General Manager from Telstra who addressed the meeting. Please see presentation attached (Attachment 1)

5.2 Royal Commission into Institutional Responses to Child Sexual Abuse and Redress

Gordon MacMile, Director Strategic Coordination and Delivery, presented to the Zone.

The Department of Local Government, Sport and Cultural Industries (DLGSC) has previously consulted with the WA Local Government Association (WALGA), Local Government Professionals Western Australia (LGPro) and WA Local Governments on the overall recommendations, findings and (potential) key implications of the Royal Commission.

A key recommendation made by the Royal Commission was for survivors of institutional child sexual abuse to have access to redress. In response to this Royal Commission recommendation, the National Redress Scheme for Institutional Child Sexual Abuse (the Scheme) has been established. The WA Government commenced participation in the Scheme from 1 January 2019.

DLGSC and the Department of the Premier and Cabinet are engaging with WA Local Governments to raise awareness regarding redress for institutional abuse survivors and to consider how survivors of abuse within the community may be acknowledged, treated and supported. This engagement commenced with a WALGA hosted webinar on 23 January 2019.

Mr MacMile presented on the following:

- provide a brief update on progress on the Royal Commission's reforms;
- · discuss the potential impact and approach to redress for WA Local Governments; and
- answer any queries Council representatives have.

Please see presentation attached (Attachment 2).

7. ZONE BUSINESS

7.1 The Tobacco Products Control Act 2006 Amendment Shire of Narembeen

BACKGROUND

- A review of the Act was conducted in 2011, with a Discussion paper released in April 2011.
- The Discussion paper was developed to encourage community comment on issues relevant to the Act and Regulations.
- The Department of Health (DOH) undertook a public consultation process during May and June of 2011.
- As well as publicly advertising the consultation process, the DOH directly notified a number of
 organisations (including WALGA and the Department of Local Government). A total of 69
 submissions were received.

Minutes Great Eastern Country Zone - 18 March 2019

- The amendments to the Act pertaining to the appointment of restricted investigators were developed to broaden of the categories of local government employees who may be appointed as restricted investigators.
- Local Government officers, specifically Local Government Environmental Health Officers (EHOs), have been appointed as restricted investigators to enforce a range of regulations relating to smoking in public places since 1999.
- These responsibilities have historically been carried out alongside the regular duties of EHOs without unduly adding to the regulatory burden or costs to local government.
- The DOH has written to Local Governments seeking to appoint restricted investigators prior to 18 March 2019, to avoid interruption to the ability to enforce certain parts of the Act and Regulations.
- These appointments will continue to be valid once the amendments to the legislation have occurred.
- The DOH will provide LGAs and WALGA with detailed information relating to the relevant amendments to the appointment of restricted investigators, and the guidelines and procedures that LGAs may follow should they wish to directly appoint such investigators in the future, following the implementation of the latest amendments, expected to commence on 18 March 2019.

COMMENT

WALGA has received emails from CEOs concerned around cost shifting, however Local Governments are not obliged to take any action should they choose not to.

Noted

7.2 Doctor Availability - Merredin Hospital

Proponent - Shire of Mukinbudin

President Rhonda Cole declared an interest of impartiality to this item.

BACKGROUND

The Shire of Mukinbudin was advised by St Johns Ambulance Kununoppin Sub centre coordinator, Mr Peter Geraghty recently that the Merredin Hospital would be without a Doctor for a period of 48 hours from 8.00am 31st January 2019 until 8.00am on 2rd February 2019.

Mr Geraghty advised that this was not the first instance of Doctors not being available at what is in this region our large regional hospital and as St John Sub Centre coordinator this is obviously very concerning to Peter.

The Shire of Mukinbudin shared their concerns and considered a joint approach from relevant Local Government was considered best in this instance and that WALGA Zone may be the best direction for the various Local Governments to make clear our concerns as a combined voice as it is considered likely that each of the other member Councils would share this same concern.

COMMENT

This matter was discussed at the Zone Executive Committee Meeting held on 7 March, that the Zone should consider requesting a deputation to the Minister for Health on the availability of doctors at the Merredin Hospital.

Minutes Great Eastern Country Zone - 18 March 2019

RESOLUTION

Moved: Cr Gary Shadbolt Seconded: Cr Quentin Davies

That the Zone request a deputation to the Minister for Health on the availability of doctors at the Merredin Hospital.

Action

CARRIED

The Zone Executive Officer will provide researched information to assist with the deputation.

The meeting adjourned for morning tea at 11.05am and resumed at 11.17am.

7.3 Department of Planning, Lands and Heritage – Request to Present

Proponent - Mr Tony Brown, Executive Officer

WALGA has been supporting the Department of Planning, Lands and Heritage in the final stages of consultation that will support the implementation of the Heritage Act 2018. This process will take submissions on an initial set of regulations to accompany the Act; develop guidelines for local heritage surveys; and seek expressions of interest for a new Heritage Council, which will be appointed once the new Act is proclaimed. Local government input to the consultation process is strongly encouraged, with submissions taken until mid-April. Further information can be found at <u>www.stateheritage.wa.gov.au</u>.

Following the consultation process, the Department has offered to give a short presentation to each Zone noting highlights of the new Act of relevance to Local Government, and identifying further opportunities for training and information.

COMMENT

The Zone currently has 2 presentations scheduled for the April meeting, being on Education and Transport (Heavy Vehicle Issue).

The Zone could consider a presentation at the April or June meetings.

The Zone confirmed that should there be no other pressing matters, a presentation from the Department of Planning, Lands and Heritage will be invited to the June 2019 GECZ meeting.

8. ZONE REPORTS

8.1 Zone President Report

Cr Rhonda Cole

Zone President presented a verbal report including the following items:

- Acknowledging the WALGA CEO, Ricky Burges and her contribution to the Local Government Sector;
- b) The Executive Committee will review the Executive Officer arrangements at the next meeting; and
- c) Zone consider if they would prefer rotating meetings between Local Governments.

RESOLUTION

8.3 Wheatbelt District Emergency Management Committee

Cr Tony Sasche

Wheatbelt District Emergency Management Committee (Wheatbelt DEMC)

The Wheatbelt DEMC met at the St John Ambulance facility in Northam on 21st February, 2019.

There was a guest presentation form the Deputy State Recovery Coordinator, Suellen Flint covering an overview of recovery and the new piloted impact statement.

In relation to the Action List and backup batteries at Telstra Exchanges failing during power outages, the GECZ reported that the Bruce Rock Telstra Exchange failed almost immediately during a power outage late in 2018. This outage was complicated with multiple fires (due to lightning) occurring at that time.

Item 6 dealt with DEMC Membership and LGs not attending within the Wheatbelt EM district. On this matter the Shire of Mukinbudin LEMA has been completed and checked for compliancy. The Shire of Nungarin LEMC and the Shire of Trayning LEMC currently do not meet. This is related to the resources available and the Wheatbelt DEMC Executive Officer, Yvette Grigg, has had discussions with these Councils on this matter. Other LG LEMC's in the Wheatbelt EM area are functional.

The Natural Disaster Resilience Program has budgeted funding of \$4M which is available for LG Risk Mitigation on a \$ for \$ basis.

Minutes Great Eastern Country Zone - 18 March 2019

Agency Reports

The GECZ reported that the St John Ambulance have reported that there have been closures at the Merredin Regional Hospital, due to a Doctor not being in residence. This has, on occasions, meant longer road trips for St John Ambulance Volunteer Staff to Northam and even Perth. The Wheatbelt DEMC Chair, Superintendent Martin Cope, will contact the Regional Director of Health, WACHS, for comment.

WA Police reported that 2018 was the worst fatal crash year on record. There was also an increase in arson of 15%.

DPIRD reported that there was an emergency relating to Northern WA Animal Welfare. DPIRD have been helping manage this emergency.

DFES and DPAW reported on some major fires during the season to date, and how this had been managed. There has been significant damage to 75,000 ha of pine tree plantations, which will have a high economic impact.

Proposed Meeting in Merredin

The Wheatbelt DEMC has proposed that its June 2020 meeting will be in Merredin. This will hopefully allow more LG staff and Elected Members, as well as those local people involved in EM, to attend.

Presenting the Status Report for March 2019 which contains WALGA's responses to the resolutions of previous Zone Meetings.	WALGA Response	The Water Corporation has agreed to engage directly with every Local Government affected by the proposed changes to management and billing arrangements for standpipes across WA. WALGA has been regularly monitoring this process, ensuring that the issues identified by each Council are addressed. The Water Corporation has made a commercial decision to apply commercial rates to water supplied through high flow standpipes when used for commercial purposes. As Local Governments are the customer billed for these services there is likely to need to be changes to the arrangements for metering and security. The requirements will differ in each situation. The intert is that domestic and stock water can continue to be accessed at the community rate – which is the rate changed to those who access when through the scheme. Frequent use of high flow standpipes has the potential to comprise town water supplies.	WALGA has reopened discussions with the Office of Emergency Management on this matter and will advise the zone of feedback directly. The Emergency Management Policy Unit are coordinating further briefings and are collecting information from the relevant zones to ensure the sectors concerns can be raised with the relevant zones to ensure the sectors concerns can be raised with the relevant paries. Great Southern and Great Eastern Country are both experiencing issues in this area. WALGA have raised this as an urgent matter with the Emergency services Network Operators Reference Group to provide recommendations to the sector. This group includes all the lifeline agencies along with the Department of Primary Industries and Regional Development to include the regional black spots funding and communications providers. WALGA will provide further updates as information is received.
March 2019 which contains WALGA's resp	Zone Resolution	That the Great Eastern Country Zone request WALGA to advocate opposing the WA Water Corporation proposed fee structure in remole parts of the eastern Wheatbelt and; . Request the Water Corporation look to possible subsidised billing to remole user standpipes for users without any other possible means of potable water; . Write to the Department of Water suggesting that as result of the increased Standpipe water costs that they re-introduce the Farm Water Grants to allow effected landholders the ability to create on-farm water storage and water connections	That the Great Eastern Country Zone notes the: 1. State Councilor Report, and 2. WALGA Status Report and requests that WALGA exverse its disappointment to the Office of Emergency Management that there has been no progress on this important emergency management issue and in the event that the matter cannot be progressed WALGA be requested to take the issue up with the Minister for Emergency Management.

WALGA Response	State Council determined at the December 2018 meeting to pursue the potential for a State Local Government Partnership Agreement on Waste Management and Resource Recovery. The malter was subsequently referred to the Municipal Waste Advisory Council (MWAC). At its meeting of 1 February, MWAC referred the matter to the Officers Advisory Group (OAG). With the State Waste Strategy launched on 10 th February, OAG will now undertake andysis of the State Waste Strategy to consider and recommend to MWAC and State Council the elements to be included in a draft Partnership Agreement. WALGA is also liaising with the Waste Authority on the issue.	WALGA provided an extensive Submission to the Department of Water and Environmental Regulation (DWER) Draft Customer Service Standard for the Container Deposit Schmein. In relation to the Zone's recommendation, WALGA Submission supported the approach of ensuring that all Local Governments be guaranteed a flexible refund point and the operating hours for a flexible refund point be clearly defined. WALGA will continue to advocate for State Government funding for infrastructure to assist the sector in implementing the CDS. It is anticipated the final Customer Service Standard will be released in March/April 2019.
Zone Resolution	The Great Eastern Country Zone request that WALGA continue to advocate: 1. For a consultative partnership approach to the development of any etter practice or other guidance for Local Government. 2. That the Waste Avoidance and Resource Recovery Levy should not be applied to the non-metropolitan area.	That the Great Eastern Country Zone requests that: 1. All Local Governments be guaranteed, as a minimum, one flexible refund point in their area. 2. A flexible access point should be defined as a refund point which, as a minimum, is open 16 hours each two week period, including at least 8 hours at weekends The State Government provide appropriate funding for the refund points.

Doctor Brian Walker

Doctor gave a brief outline of the status of the Practice stating that the Practice had stabilised and the increase in the service at Beacon and the decrease at Bencubbin was working well.

Doctor stated that he has invested a lot into infrastructure at the Medical Practice with a lot being invested in upgrading the IT equipment and services.

Doctor stated he has concerns for the Hospital Staff due to dissatisfaction with their working conditions.

There are some discussions with Mundaring who are proposing to offer a Psychology Service to service this area, possibly 2 days a week or 1 day a month.

The need to attract a regular Physiotherapist to the Medical Practice is ongoing.

Introduction

The Financial Statements for the period 1 July 2018 to 28 February 2019 and budget review are provided for the information and receiving by the Committee.

Background

The Memorandum of Understanding (MOU) for the KMPC requires that the participating "...Shires shall continue to make financial contributions to the Committee for the purposes set out in the Memorandum and in accordance with an Annual Budget adopted by the Committee (as amended from time to time) and approved by the Shires."

Consultation

No formal consultation is required on this matter.

Statutory Environment

There is no statutory legislation relevant to this item.

Policy Implications

There are no policies relevant to this item.

Financial Implications

The contribution paid by each Shire is to be paid quarterly in advance based on estimated outgoings and expenses.

The following percentage contributions are to apply;

30%
0%
0%
80%

Strategic Implications

The ongoing contributions by the four (4) participating local governments allows for the communities in those four local governments to receive a regular medical service.

Environmental Implications

There are no environmental implications relevant to this item.

Social Implications

The provision of a medical service to the communities of the four (4) participating local governments provides significant social and health benefits.

Officer's Comment

The actual income and expenditure for the 2018/2019 financial year is tracking fairly comparable to the adopted budget and it's expected that the end of year position will be in line with the adopted budget except for the following one item.

Doctor Medical Practice Expenses

As part of the Shire of Trayning annual budget review it was identified the Medical Practice was billing the quarterly fee based on the 2017/18 agreed fee of \$70,000 (\$17,500 per quarter) and that the accounts were for the quarter in arrears rather than in advance as per the agreement.

As a consequence the Medical Practice has been requested to reduce the remaining quarterly invoices to reflect the overpayments to date and to ensure that the final quarterly fee (1 April to 30 June 2019) is received in April 2019 so that it can be paid

before the end of the current final year (30 June 2019) given that the current agreement expires on 30 June 2019.

This however will result in an increase in the amount paid for the 2018/19 financial year as five (5) quarterly payments, instead of four (4) will be made. It is estimated that this total cost will be approximately \$61,400 in lieu of the budget amount of \$50,000.

6.2 Kununoppin Medical Practice Agreement

Date of Report:	11 th March 2019
Proponent:	Shire of Trayning
File Ref:	C07
Officer:	Paul Sheedy – A/Chief Executive Officer
Senior Officer:	Paul Sheedy - A/Chief Executive Officer
Officer's Disclosure of Interest:	Nil

Voting Requirements:	Simple Majority

Introduction

The current agreement with (Doctor Walker) expires on 30 June 2019 and the Committee is required to consider if a new agreement is required, the length of the agreement and the annual fees to be paid to the Practice.

Background

The current agreement commenced with Dr Walker on July 2016 for a three (3) year period expiring on 30 June 2019.

The Memorandum of Understanding (MOU) for the KMPC with the local governments requires that the participating "...Shires shall continue to make financial contributions to the Committee for the purposes set out in the Memorandum and in accordance with an Annual Budget adopted by the Committee (as amended from time to time) and approved by the Shires."

The current MOU expires on 30 June 2020.

Consultation

Doctor Walker has been invited to attend the meeting to discuss options going forward after the current agreement ceases.

Statutory Environment

There is no statutory legislation relevant to this item other than the formal agreement current in place.

Policy Implications

There is no policy's relevant to this item

Financial Implications

Any decisions to extend the agreement beyond the 30 June 2019 will require payment of the agreed annual Practice fee by the four (4) participating local governments on the following percentages.

Shire of Mt Marshall	30%
Shire of Mukinbudin	30%
Shire of Nungarin	10%
Shire of Trayning	30%

Strategic Implications

The payment of an annual Practice fee has assisted in supporting the Medical Practice when commencing and to continue to provide a service to the communities of the participating four (4) local governments.

Environmental Implications

There are no environmental implications relevant to this item.

Social Implications

The provision of a medical service to the communities of the four (4) participating local governments provides significant social and health benefits.

Officer's Comment

The question to now consider is whether the Medical Practice is capable of remaining financially viable to be in a position to provide a service to the communities without the provision of an annual Practice fee contribution from the four (4) local governments and if a fee is required what is that fee and what are the local governments prepared to contribute each year.

The presentation/submission by Doctor Walker will assist the local governments in reaching this decision.

If there is to be an ongoing annual Practice fee contribution a decision needs to be made over what period will the agreement be for, bearing in mind that the current one was for three (3) years.
