WHEATBELT NORTH REGIONAL ROAD GROUP MEETING

I attended with our Works Manager. Attendance was down from recent previous meetings. Discussions included:

Presentations given by: a) Wheatbelt Secondary Freight Network – Garrick Yandle
b) WALGA Regional Road Group report
c) WALGA Roadwise report

All usual reports

Endorsement received for changes to Road projects received from SRRG's –
Moora, Avon and North East Sub Groups.

Black Spot nominations have been received from the Shire's of Dowerin, Nungarin and Toodyay.

Due to the Governments concern re changes to the Representatives to the Secondary Freight Route Committee they had directed that both North and South Wheatbelt RRG's re-appoint their Representatives. In discussion with the Groups Executive it was decided that as I was the only one up for re-election that would follow their request. Also that the Chair would also be put forward for re-election.
