

# Experience Nungarin

## Mangowine

The National Trust Homestead at Mangowine was built in 1875 by pioneers Charles and Jane Adams.

Mangowine is situated just 14.5kms north of Nungarin on Karomin Road and is open to the public Mon, Tues, Thurs, Fri from 1:00-4:00pm and also between 10:00 and 4:00pm on weekends and public holidays.

Nungarin is blessed with an abundance of awesome granite outcrops at **Eaglestone**, **Talgomine** and **Danberrin**, while **Lake Brown** is spectacular with an expanse of dried salt lake and breakaway shoreline.

Our **wildflowers** in spring are breathtaking.
