Mr David Nayda  
CEO  
Shire of Nungarin

Dear David

The Nungarin Community Development Group (NCDG) have now finalised the wording of the plaques that we wish to go with Soldiers Memorial at the end of Railway Avenue. The format is two separate plaques of A3 size that contain the Australian Military Forces emblem and some brief detail of the brothers.

Our group requests the Shire of Nungarin please donate 2 x beveled limestone blocks for us to mount the above-mentioned plaques. The plan is to situate the blocks at the base of the metal soldier.

Please find attached the templates of the plaques, which are currently in the process of being manufactured by a company in Perth.

Can this please be added as an agenda item in the December Ordinary Council Meeting for the approval of the Councillors.

Yours sincerely

Tracy Scott  
Secretary  
Nungarin Community Development Group
