Dear Leonard

Re: Family Counsellor Vehicle

Further to our discussion regarding the current vehicle (2016 Holden Captiva) leased by Wheatbelt Agcare from the Shire for the use of our Family Counsellor, Kaye Bell, the matter was discussed at the Wheatbelt Agcare Committee meeting on Tuesday 22<sup>nd</sup> June.

The Committee decided we do not require a new vehicle for 2021/22 and our first choice, if possible, would be to purchase the current vehicle from the Shire.

If we are unable to purchase the vehicle from the Shire, we would be willing to continue leasing the vehicle at the existing monthly lease of \$570 plus GST.

Please advise of your decision either way.

Yours sincerely

*K. Dayman*
