REPORT - MEETINGS / FUNCTIONS ATTENDED

- 25th May *CEACA Board meeting @ Kellerberrin*
- 2nd June *NCDG Committee meeting*
- 11th June *LHAG meeting @ Kununoppin Hospital*

CENTRAL EAST ACCOMMODATION & CARE ALLIANCE

I attended the Management Committee Meeting. I put in our Chief Executive Officer apologies. You all have a copy of the minutes from this meeting.

The surprise of the meeting was Yilgarn's decision.

The Chair was having a meeting the next week trying to discover the possibility of more money becoming available (grant funding) to build more units. It was indicated that CEACA could not, at this time commit to more units for any Shire (others also are looking for more) without knowing the possibility of being able to gain grants. I hope to be able to update at our meeting.

NUNGARIN COMMUNITY DEVELOPMENT GROUP MEETING

I gave my apologies.

Group have been discussing:

1. Café: been slow the last few Markets. Hoping to have coffee machine working.
2. Letters to NC&MS re Soldier's Memorial and building.
3. Fund raiding: Powerball for 10 weeks.
