Monday 9 August, 2021

Dear Shire Councillors and CEO,

As most of you would be aware, I am organising a music festival in Nungarin on the Saturday 9 October, 2021. As this is a first for us, we are coming from a very low financial base to pay for this event. Although we have received some very generous support from local businesses and individuals, in the form of sponsorship, we need every bit of help we can get.

I have received a quote from the Shire of Nungarin of \$1587.00 which covers the cost of the venue and facilities. I am asking if you would consider waiving this cost to assist us in running the event? We are aiming for 500 ticket sales and believe there is associated benefit to the Shire of Nungarin by bringing these people to our lovely area.

Kind regards,

A handwritten signature in black ink, appearing to read 'Mick Caughey', written over a horizontal line.
