

Nungarin

Wheatbelt Markets

PO Box 11 NUNGARIN WA 6490

Leonard Long
CEO
Shire of Nungarin

Dear Leonard

The Nungarin Wheatbelt Markets Committee requests use of the Shire's water for the purpose of car washing at the April Markets and at future Markets if required. (A stallholder has requested to come and wash cars in April.)

The car washing bay will be situated on the sandy laneway between the public toilets and Radcliffe Park. Only two buckets of water will be required with each car – one for washing and one for rinsing. There is a tap on the wall behind the men's toilet which would be ideal for the filling of buckets.

No power is required for this venture.

Cars will approach from the laneway behind Radcliffe Park. Signage will be provided.

Hoping this request will meet with your approval.

Yours faithfully

Tracy Scott
Secretary
Nungarin Wheatbelt Market Committee

7th March 2022
