NUNGARIN COMMUNITY DEVELOPMENT GROUP AGM/GENERAL MEETING

I attended as Councils Delegate.

I have taken on the Chair position. Hoping to be able to encourage new members, particularly younger members in our Community.

Have organized a meeting with the Chair and Secretary of the Nungarin Community and Men's Shed, hoping to open communication and go forward re the building and other issues between the two Groups.

We have discussed several projects which will involve other groups so hopefully the groups can start working together.

OPENING FIRE BRIGADE SHED

I attended as a Councillor and member of the Brigade. President deLacy, Deputy President Coumbe and Councillor Dayman were also present.

With others Cr Coumbe's many years of service to the Nungarin Brigade was Acknowledged with a Long Service Medal.

Approximately 30 attended. Congratulations to all involved in organising the day particularly Vanessa. Catered by BREAKAWAY Nungarin was great.

NOTES:

1. I attended Sue Fensome's funeral and took flowers from Council and Staff.
