IN BRIEF

Following the resignation of the current Chief Executive Officer (CEO), Council is required to appoint a recruitment panel who will be involved in the recruitment process and provide Council with a recommendation following interviews.

BACKGROUND

The current CEO tendered his resignation to the Shire President on 15 March 2023 and will be required as per clause 11.4(1) of his contract to give three (3) months' notice making the last day of employment 15 June 2023, unless by mutual agreement an earlier date is agreed upon.

REPORT DETAIL

One of the fundamental roles of Council is the employment of the CEO. The CEO is responsible for implementing the Council's strategic vision and leading the administration. A local government must select a CEO in accordance with the principles of merit, equity and transparency.

Under the *Local Government (Administration) Amendment Regulations, 2021*, the Guidelines for the Local Government CEO Recruitment and Selection were amended February 2021. Local Government Councils are now required to develop Terms of Reference relating to the management and implementation of the future CEO recruitment process and Council are required to endorse the CEO Position Description including selection criteria.

Council is also required to establish a selection panel to conduct and facilitate the recruitment and selection process. The selection panel should be made up of Councillors, the number of which is to be determined by Council and must include at least one independent person. The independent person cannot be a current elected member, human resource consultant or staff member of the local government. A person is considered to be independent if they are:

- A former elected member or staff member of the local government.
- A former elected member (such as a Shire President) or staff member of another local government.
- A prominent or highly regarded member of the community.
- A person with experience in the recruitment of CEO's and / or senior executives.

The panel will be responsible for assessing applicants and making a recommendation to Council regarding the most suitable applicant. The essence of the role of an independent panel member is to bring an impartial perspective to the process and reduce any perception of bias or nepotism.

To ensure the selection panel are informed of the duties and responsibilities of their role, “Terms of Reference” have been developed and are recommended to be adopted by Council. In addition to the “Terms of Reference” Council is also requested to endorse the Chief Executive Officers Position Description which incorporates the “Selection Criteria”.

At the Ordinary Council meeting of 16 November 2022 Council resolved as follows:

“COUNCIL RESOLUTION 6903/11/22

That Council Resolves to:

1. Acknowledge the “Offer to Purchase” for the amount of \$45,000 (ex GST) by Carol Rowntree for Lot 188 (46) Danberrin Road, Nungarin;
2. Advertise the potential sale of Lot 188 (46) Danberrin Road, Nungarin in accordance with s3.58(3) of the Local Government Act 1995;

CARRIED BY ABSOLUTE MAJORITY 7/0”

The above resolution cannot be revoked as it has been enacted upon already . Only Council Resolution 6914/12/22 needs to be revoked as it will not be enacted upon.

REPORT DETAIL

The original applicant Carol Rowntree has advised the Shire, due to difficulties in securing a building contractor she will not be able to proceed with the purchase of the property.

Whilst the subject resolution is recommended to be revoked, the property is still listed for sale through Council Resolution 6859/07/22. However, with the recent change in depot staff it may be prudent to place the sale of the property on hold until such time as the depot has recruited a new staff member.

Carried by Absolute Majority 6/0”

REPORT DETAIL

As required by the *Local Government Act 1995*, the proposed sale of the subject lot was advertised in the West Australian newspaper, Shire of Nungarin Facebook Page, Shire of Nungarin Instagram, Shire of Nungarin Website, the NewsLink and a postal drop.

As a result of the consultation two (2) submissions were received, from Genevieve Talbot (**Attachment 8.4A**) and from Nicholas Malaspina (**Attachment 8.4B**). Neither of the two submissions objected to the sale of the property but did make the following higher offer to purchase the property:

- Genevieve Talbot - \$6,550; and
- Nicholas Malaspina - \$6,950.

It should be noted; the process being followed is not the same as a public tender but rather a ‘private treaty’. Therefore, Council is not required to accept the highest offer. However, should Council wish to entertain one of the two submission the process as outlined in s3.58 of the *Local Government Act 1995* would need to be followed.

The potential purchaser, who is also a resident in Nungarin currently operates a mobile mechanical repair service and is looking for a site at which he can establish a mechanical workshop.

The opinion is held that since there were no objections to the sale of the land with the higher offer only being \$450 more than the original offer by Jacob Tayler, and the sale will result in an additional business opening and further activating the main street, that the property be sold to Jacob Tayler.

IN BRIEF

The next Local Government election is due to be held on 21 October 2023. In accordance with the *Local Government Act 1995 (the Act)*, Council can opt to conduct an election either as an in-person election or a postal election. Current legislation dictates, if a Council decides to conduct a postal election, the Western Australian Electoral Commission (WAEC) must conduct the election, with the cost of the election to be recouped by the WAEC on the basis of full accrual cost recovery.

This year’s election is significant as it will be voting using the optional preferential system. This will add a degree of complexity to the system. The Shire has received a cost estimate from the WAEC to conduct the election as a postal ballot, being the only option if using the WAEC.

Council is required to make a decision, from the options available, for the conduct of the 2023 Local Government Election.

BACKGROUND

Due to the increase in complexity most Local Governments will be considering to utilize the services of the Electoral Office in managing the election process as it streamlines the process and ensures a compliant process.

REPORT DETAIL

The Shire has traditionally held an in-person election. Local government elections occur on the third Saturday in October every two years. Councillors each serve a term of four years. The Shire has four Councillors whose term expires in 2023.

Council does have the option of a postal voting which in the opinion of the WAEC has the potential to attract larger numbers of voters. Alternatively, Council may opt for the traditional in-person voting system. However, this may increase the cost to Council for the WAEC to run the election process.

In the recent years no election was required due to the nominations not being contested. Should this be the case again the cost to Council for having the WAEC run the process is estimated to be \$6,000.

The adoption of the recommendation would require Council to ensure the cost, estimated to be \$11,500 for the WAEC to run the election is included in the 2023/24 budget. This cost estimate was provided by the WAEC based on the following:

- 160 electors
- Response rate of approximately 7%

- Count to be conducted at the offices of the Shire of Nungarin
- Appointment of a local Returning Officer
- Regular Australia Post delivery service to apply for the lodgement of the election packages.

IN BRIEF

- Council is requested to consider and adopt the Shire of Nungarin Annual Report for the 2021/22 financial year.
- Consider advertising the annual electors meeting to be held on Wednesday 17th May 2023 at 6:00pm.

BACKGROUND

In accordance with the *Local Government Act 1995*, local governments are required to accept the annual report by absolute majority no later than 31 December after the relevant financial year. However, the Audited Financial Statements were only received from the Auditor General in March 2023.

Further, a general meeting is to be held on a day selected by the local government but not more than 56 days after the local government accepts the annual report for the previous financial year. In this regard it is recommended the Electors’ General Meeting be held on 17 May 2023 to ensure compliance with the *Local Government Act 1995*.

REPORT DETAIL

The Shire of Nungarin’s Annual Report is an account of the Shire’s activities throughout the 2021/22 financial year which highlights the progression and achievements towards the strategic objectives detailed in Council’s Strategic Community Plan.

The annual report which includes the 2021/22 annual financial report and auditors report once adopted will be available on Councils website as well as at the Administration Office for public viewing. Copies will be provided to ratepayers and community members upon request.

Initially, Council’s annual audit for 2021/220 was to be undertaken by RSM Australia Pty Ltd on behalf of the Office of the Auditor General (OAG). However, due to unknown circumstance RSM Australia Pty Ltd was no longer available. The OAG appointed Dry / Kirkness who completed the audit on behalf of the OAG.

Details of management issues, suggestions etc. are contained within a separate management report and are addressed on an ongoing basis. A copy of the 2021/22 Annual Financial Statements can be found at **Attachment 8.6A**.

Following adoption of the Annual Report, the Annual Financial Statements and the official audit report the document will be presented to the Electors at the annual General Electors meeting. It is also a requirement that a copy of the audit report and Financial Statements be forwarded to the Dept. of Local Government.

Confirm with Darren, if the management letter should be included in the report

IN BRIEF

To present the review and actions identified from the report relating to legislative compliance, internal controls, and risk management, in accordance with regulation 17 of the Local Government (Audit) Regulations 1996 (the Regulations), prepared by Darren Long Consulting.

BACKGROUND

In 2013, regulation 17 of the Regulations were amended to include a requirement for the CEO to review the appropriateness and effectiveness of a local government’s systems and procedures in relation to risk management, internal controls, and legislative compliance on a biennial basis. In 2018, regulation 17 was amended to change the frequency of the review requirement from biennial to triennial.

In accordance with regulation 16 of the Regulations, a local government’s audit committee is responsible for reviewing the CEO’s report, before providing a copy of the report and the results of its review to Council.

Pursuant to Regulation 17(1) of the Local Government (Audit) Regulations 1996, the Chief Executive Officer is to review the appropriateness and effectiveness of the systems and procedures relating to:

- a. Legislative compliance;

- b. Internal control; and
- c. Risk management.

REPORT DETAIL

Regulation 17 of the Regulations require the CEO to conduct a review of systems and procedures relating to legislative compliance, risk management and internal controls on a triennial basis. As a result of the reviews conducted, a total of 33 opportunities for improvement were identified across the three areas of review, down from the 51 identified in the 2019 review. Of the 33 opportunities identified work has commenced on the following, with the remainder to be addressed over the coming months:

- That the CEO consider the formalisation of internal procedure manuals for key processes so there is clear documentation on how tasks and processes should be performed;
- That the CEO consider implementing a new internal control procedure where the MCS undertakes the role of checking customer sales invoices raised and to certify debtor batch listings by verifying the sales invoices to the Debtor Invoice Batch Report.
- That the CEO consider implementing a new certification stamp for supplier invoices that incorporates an initial and check box for verifying the additions on the supplier invoice for accuracy, verifying the GST amount matches that specified on the invoice, verifying if GST credits can be claimed on the supplier invoice, and verifying the supplier's ABN and GST registration status.
- That the CEO implement new internal control procedures to ensure the certification stamp on supplier invoices is signed by the ordering/receiving officer that goods have been received in appropriate condition or services have been rendered at the appropriate standard and also the 'Authorised for Payment' certification line.

IN BRIEF

Council remains informed, Council is requested note the Auditor General’s Report and Management Letter.

BACKGROUND

As part of the annual financial audit undertaken by the Office of the Auditor General, the Auditor General provides an “Independent Auditor’s Report” outlining the auditors opinion. In addition, the Auditor General also provide a “Management Letter” outlining the findings identified during the audit.

REPORT DETAIL

As a result of the 2021/22 financial audit, the Auditor General provided the following opinion (**Attachment 8.8A**):

“I have audited the financial report of the Shire of Nungarin (Shire) which comprises:

- *The Statement of Financial Position at 30 June 2022 and the Statement of Comprehensive Income by Nature or Type, Statement of Changes in Equity, and Statement of Cash Flows and Rate Setting Statement for the year then ended.*
- *Notes comprising a summary of significant accounting policies and other explanatory information.*

In my opinion, the financial report is:

- *Based on proper accounts and records.*
- *Presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2022 and its financial position at the end of that period.*
- *In accordance with the Local Government Act 1995 (the Act) and, to the extent that they are not consistent with the Act, Australian Accounting Standards.”*

In addition to the Auditor General’s Report / opinion the Auditor General also provides a Management Letter (**Attachment 8.8B**) outlining any findings identified during the audit. The findings are categorised as follows:

Significant: Those findings where there is potentially a significant risk to the entity should the finding not be addressed by the entity promptly.

Moderate: Those findings which are of sufficient concern to warrant action being taken by the entity as soon as practicable.

Minor: Those findings that are not of primary concern but still warrant action being taken.

With regard to the 2021/22 financial Audit, nine (9) findings have been reported of which six (6) have since the completion of the audit been addressed.

(1) Purchase quotations (Moderate rating):

As a result of the remote location and difficulty in obtaining quotes for various works, Council adopted a new purchasing policy which will address this matter. Staff with delegated authority have been made aware of the new policy and its requirements.

Further, to ensure compliance going forward a “purchasing form” confirming compliance with the new Purchasing Policy CM 9 will be developed and staff will be required to attach this form to purchase orders were relevant.

(2) Fair value of roads infrastructure assets (Moderate rating):

A desktop assessment is done annually by the Shires’ Financial Consultant to determine if there is any potential significant impact on the valuations. This was done for the subject financial year and sent to the auditors on 28 September 2022 with no further enquiries.

Further, since the last revaluation of the asset, there has been significant volatility with regard to inflation, in addition, there have been a number of factors that have also contributed to the high inflation, particularly, COVID-19 pandemic.

Nonetheless, the Shire as required by the LG Act 1995, is planning to budget for the revaluation of this asset class to be done in the 2023/24 budget. The opinion

is held, that the inflation volatility will begin to settle and the markets return to pe-pandemic levels or close too, resulting in more stable conditions.

(3) Supplier invoices not signed (Moderate rating):

A process has been put in place requiring the relevant area manager to sign all invoices confirming receipt of goods / work prior to payment.

(4) Supplier Masterfile amendments (Moderate rating):

Monthly Audit reports have been run for the past several months now and are signed by the Manager Corporate Services with the CEO counter signing reports. The opinion is held that the Shire does comply with the exception of confirming the ABN. However, a process has been put in place to ensure ABN lookup is completed prior to supplier setup or amendment and a new supplier / Supplier Change of Details form is used. All changes to suppliers are now checked by the Corporate Service Officer, confirmed by the Manager Corporate Services.

(5) Risk Management Policy (Moderate rating):

Council adopted Policy CM 6 – Risk Management on 19 October 2022.

(6) Corporate business plan expired (Moderate rating):

The Shires' Integrated Strategic Plan 2023 – 2033 which incorporates the Corporate Business Plan was adopted by Council at its Ordinary Council Meeting of 16 November 2022.

The remaining three (3) findings identified as moderate are as follows:

(1) No Workforce Plan (Significant rating):

Finding: Section 5.56 of the *Local Government Act 1995* requires a local government to plan for the future of the district, and the plans made are to be in accordance with any regulations made about planning for future of the district.

Section 19DA(3)(c) of the *Local Government (Administration) Regulations 1996*, requires a corporate business plan for a district to develop and integrate matters relating to resources, which includes workforce planning. Section 19DA(4) requires the corporate business plan to be reviewed every year.

Management Comment:

It is acknowledged that a plan is a requirement of the Act, A workforce plan will be prepared and considered by Council within the current financial year.

(2) IT security control environment (Moderate rating):

Finding: There is no Cyber Security Response Plan and no documented process for the Shire to follow should a cyber-attack occur.

Management Comment:

It is acknowledged that an ICT Strategy Plan is required and will be prepared and considered by Council within the current financial year

(3) Information and communication technology (ICT) disaster recovery plan (Moderate rating):

Finding: There is no ICT Disaster Recovery Plan in place.

Management Comment:

It is acknowledged that an ICT Disaster Recovery Plan is required and will be prepared and considered by Council within the current financial year.

IN BRIEF

Council is to consider either appointing one of the current managers should a Chief Executive Officer (CEO) be appointed through the current recruitment process or appoint an Acting CEO should the current recruitment process not be successful.

BACKGROUND

The Shire is currently undertaking a recruitment process for the replacement of the outgoing CEO. It is likely, due to the departure date of the outgoing CEO and the potential commencement date of the incoming CEO that there will not be a CEO, as such it is imperative for Council to ensure there is an acting CEO during any overlapping period.

REPORT DETAIL

The current recruitment process is well underway with the application submission period ending on 21 April 2023. It is anticipated, should acceptable candidate applications be received the recruitment process could be finalised no later than the first week in May.

Depending on the outcome of the recruitment process and the required notice period the incoming CEO would need to provide, the commencement date could be anything from four (4) weeks to three (3) months. This would result in a potential commencement date of between June 2023 and September 2023.

With the outgoing CEO's last day being 31 May 2023 (leave until 15 June 2023) and the official employment end date being 15 June 2023, there is a possibility of the CEO position being unoccupied for more than 48 hours.
