Mr Leonard Long
CEO
Shire of Nungarin

Dear Leonard

The Markets "Train", which is a very popular attraction for the kids, "died" during use at the March Markets. We are in urgent need of a replacement.

We have been reliably informed by Mr David Nayda (Manager Works & Services) that there is a spare ride-on mower, surplus to Shire requirements, at the Shire Depot.

We would like to know if the Shire would consider selling it to the Markets. Please let us know as soon as possible so that it can be prepared for the April Markets.

Thank you for your consideration in this matter.

Yours sincerely

Tracy Scott
Secretary
Nungarin Wheatbelt Markets
