

NUNGARIN VOLUNTEER BUSH FIRE BRIGADE

10 February 2023

Leonard Long CEO
Shire of Nungarin
PO Box 8
Nungarin WA 6490

cc: Cr Pippa de Lacy – President

Dear Leonard

As you are aware, the Nungarin Bush Fire Brigade, with the help of the Shire and DFES, have been going through a period of change in terms of the Brigade Shed and Appliance and importantly in the recruitment of volunteers.

The brigade now has 12 Active members and 5 Auxiliary members who are training and attending fires within and around the Shire of Nungarin. With ever increasing fire conditions and improvements in technology the BART App has been implemented by the Nungarin BFB. This App sends fire notifications direct to the Active Members of the brigade, assisting in the turn out time of the Nungarin Appliance.

As always, this comes with a cost and the BART App invoices are now due for payment. Attached please find the invoices, totalling \$360 which are due for payment by 16 February 2023. We are asking if the Shire will assist with payment direct to BART for this year. The Nungarin BFB will pay all future costs associated with running BART following a period of fundraising activities by the current members of the Brigade.

We appreciate this is short notice. Our new members are just finding their way around running the brigade having just held their second meeting last night.

We hope this will be looked on favourably by the Councillors.

Kind regards

Cameron Large
CBFCO / Chairperson
