- Council must formally appoint the Presiding Member and Deputy Presiding Member of the Audit Risk and Improvement Committee via absolute majority.
- The appointment must be made by Council, rather than by the Committee itself, removing the need for a secret ballot process.

These changes apply irrespective of the October 2025 local government elections. Although this results in an appointment process that may be duplicated post-election, the legislation has already been passed and the requirement is binding.

It is further noted that the requirement for an independent Presiding Member and independent Deputy Member of the future Audit, Risk and Improvement Committee (ARIC) will come into effect after the October 2025 elections and does not apply at this time.

REPORT DETAIL

Council's current Audit Risk and Improvement Committee includes Cr Pippa de Lacy as Presiding Member and Cr Gary Coumbe as Deputy Presiding Member.

Given their ongoing service and familiarity with the Committee's operations, it is recommended that Council reappoint both members to their current roles for continuity and efficiency, in line with legislative requirements.

No independent members are required to be appointed at this stage. Further advice from the Department is anticipated in the form of a Local Government Update to clarify transition arrangements for the ARIC structure.

REPORT DETAIL

The theme for the 2025 convention yet to be determined

It is common practice for the WALGA Annual General Meeting to also take place during the course of the convention, however, this has not yet been confirmed for this year.

A separate report will be presented to Council to provide Council direction regarding the agenda recommendations of Annual General Meeting, once the agenda has been confirmed.

There is a distinct benefit in attending the convention. It gives Councillors an opportunity to network with each other, potentially over matters currently being experienced in their local government. This interaction is important in so many ways as it provides a forum for sharing ideas and experiences, and as such is more akin to training. In addition, the convention also allows delegates to raise concerns with high level government officials as well as political representative.

In previous years, the Shire of Nungarin has been well represented with at least three Councillors and the Chief Executive Officer attending.

The estimated cost per attendee is \$2,000, depending on involvement with member development programs.

Whilst it is often hard to quantify the benefit of attending conferences, the convention get together does provide the opportunity to view a range of vendor's wares and speak with various representatives.

SHIRE OF NUNGARIN INTEGRATED STRATEGIC PLAN 2023 - 2033

Focus Area	The Convention program will enable delegates to gain information that will benefit local government, as will interaction with elected members from throughout Western Australia.

IN BRIEF

Roads to Recovery Budget amendment for sealing works.

BACKGROUND

The Roads to Recovery Funding program was renewed for a further 5 years, covering 2024-2025 to 2028-2029 period, with an increase to the overall funding pool.

Nominal funding allocations over the 5 years were not released until after Council's 2024-2025 budget was adopted and the 2023-2024 allocation of \$192,790 was used as a baseline.

Funding allocations for the next 5 years are as follows:

YEAR	FUNDING ALLOCATION
2024-2025	\$252,206
2025-2026	\$310,408
2026-2027	\$368,609
2027-2028	\$388,010

The increased funding allocation for 2024-2025 means there is an additional \$56,002 available to the Shire to allocate to projects.

REPORT DETAIL

The 2024-2025 adopted program for Roads to Recovery funding allowed for the resealing of several sections of the Shire's Road network, based on a cost of \$192,790.

The actual costs for the sealing work incurred were above the funding estimates in the budget.

It is proposed that the adopted budget be amended to utilise \$17,465 of the additional \$56,002 available to fully fund the seal works undertaken in 2024-2025. The remaining balance of funding of \$38,537 will then be used in the 2025-2026 budget year.

The proposed budget amendment is as follows:

<u>GL/JOB NUMBER</u>	<u>DESCRIPTION</u>	<u>Original/ Amended Budget</u>	<u>Increase</u>	<u>Decrease</u>	<u>Revised Budget</u>
312103	Roads to Recovery Grant	(\$192,790)	(\$20,879)	\$0	(\$213,669)

BACKGROUND

The shire purchased the mulches for roadside clean-up, but frequent breakdowns led to a refund.
