CBFCO Report:

General – Last Bushfire season was reasonably quiet with only a few minor fires within our shire.

Due to the winter season rain being reasonable the fuel loads will be higher than last season so we need to be more vigilant for the upcoming season.

Training of members is ongoing. There are a few members that still require training and I will be pursuing this as soon as practicable.

Hopefully we will have another quiet season but we must be prepared in any case.

Finance Report:

Carl Stobie advised that the Bank Balance currently stands at \$1564.15.

Election of Office Bearers:

Chief Bush Fire Control Officer: Paul Cosson was nominated by Dave Dhu (Jnr): Accepted
