Dear David

Re: 2025/2026 Contribution to Family Counselling Service

Wheatbelt Agcare thanks the Shire for their past in-kind contributions and support to this valuable service provided to residents of the Central Wheatbelt and North Eastern Wheatbelt regions. The service is free, confidential and mobile.

Clarissa Panizza commenced employment in February as the Counsellor for the Shires of Kellerberrin, Merredin, Mount Marshall, Mukinbudin, Nungarin, Tammin, Trayning, Westonia and Yilgarn.

Joel Hammen also commenced as part-time Counsellor in the Shire of Merredin in February and Di Morgan continues to work part-time covering the Shires of Dowerin, Koorda and Wyalkatchem.

The Shire representative to the Management Committee of Wheatbelt Agcare is currently Cr Gary Coumbe and we sincerely thank him for his dedicated support and valuable input to the service. If requested Wheatbelt Agcare will provide the Annual and/or Bi-monthly Counsellor Report including Shire Statistics if requested to.

Annual funding for Wheatbelt Agcare's Family Counselling Service is provided by the Department of Communities with additional contributions from Shires in the coverage area.

We seek your financial support for the 2025/2026 financial year and have enclosed a tax invoice for \$990-00 (GST inclusive) in anticipation of your support.

Yours sincerely

Kerry Dayman  
Finance Administration Officer  
Wheatbelt Agcare
