Strategic IT Plan - Document Creation

Focus Networks is an established Perth based IT service provider who support mid-sized organisations that want their computer environment professionally managed.

Our team currently consists of 21 dedicated professionals, who work across the Technical Support Team, Projects and Systems Team and Administrative Team.

We have been independently audited by Compass Assurance Services and are proud to have achieved ISO 9001 for Quality, ISO 14001 for Environmental and ISO 27001 for Security.
