IN BRIEF

The purpose of this report is for Council to consider and adopt the Budget Review Report, with any amendments, for the period 1 July 2025 to 31 December 2025.

Based on current trends, it is anticipated that a balanced budget can be achieved as at 30th June 2026.

BACKGROUND

The *Local Government Act 1995* provides for local governments, including regional local governments, to prepare an annual budget.

6.2. Local government to prepare annual budget

- (1) *During the period from 1 June in a financial year to 31 August in the next financial year, or such extended time as the Minister allows, each local government is to prepare and adopt*, in the form and manner prescribed, a budget for its municipal fund for the financial year ending on the 30 June next following that 31 August.*

****Absolute majority required.***

The Local Government (Financial Management) Regulations 1996 require local governments to undertake a review of the Annual Budget.

33A. Review of Budget

- (1) *Between 1 January and the last day of February in each financial year a local government is to carry out a review of its annual budget for that year.*
- (2A) *The review of an annual budget for a financial year must —*
- (a) consider the local government's financial performance in the period beginning on 1 July and ending no earlier than 31 December in that financial year; and*
 - (b) consider the local government's financial position as at the date of the review; and*
 - (c) review the outcomes for the end of that financial year that are forecast in the budget; and*
 - (d) Include the following-*
 - (i) the annual budget adopted by the local government;*
 - (ii) an update of each of the estimates included in the annual budget;*
 - (iii) the actual amounts of expenditure, revenue and income as at the date of the review;*
 - (iv) adjacent to each item in the annual budget adopted by the local government that stated an amount, the estimated end-of-year amount for the item.*
- (2) *The review of an annual budget for a financial year must be submitted to the council on or before 31 March in that financial year.*
- (3) *A council is to consider a review submitted to it and is to determine* whether or not to adopt the review, any parts of the review or any recommendations made in the review.*

**Absolute majority required.*

- (4) *Within 14 days after a council has made a determination, a copy of the review and determination is to be provided to the Department.*

A detailed analysis at account level incorporating year to date actual results and budget projections to 30 June 2026, for the period ending 31 December 2025, is presented for consideration. Statements of Financial Activity at program level and nature/type level have been prepared to provide a summarisation of the budget review results, as well as a Statement of Closing Funds detailing the projected surplus as at 30 June 2026.

REPORT DETAIL

The budget review has been prepared to include the information required by the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996*, and the Australian Accounting Standards. Council adopted a 10% or \$5,000 threshold minimum for the reporting of material variances to be used in the Statement of Financial Activity and the annual Budget Review Report.

In summary, based on current trends, it is anticipated that a balanced budget can be achieved as at 30 June 2026.

COUNCIL RESOLUTION

25/03/26

Moved: Cr K Dayman**Seconded:** Cr B Wegner**That Council resolves to:**

- Approve a modification to the original Streets Alive Project Plan.
- Approve the placement of two metal Grass Trees along Railway Avenue.

Carried by Simple Majority: 7/0**For:** Cr de Lacy, Cr Coumbe, Cr Eksanow, Cr Lee, Cr Dayman, Cr Stobie, Cr Wegner**Against:** Nil**IN BRIEF**

At the August Ordinary Council Meeting held on 20th August 2025, Council resolved to support the Nungarin Community Resource Centre's (CRC) funding application under the Streets Alive Grant – Stream 2, for the project title "Drive with Caution: The Return!"

The Nungarin CRC has since written to Council seeking approval for a minor modification to the endorsed project plan.

BACKGROUND

The Nungarin CRC successfully applied for and received grant funding under the Streets Alive Grant – Stream 2, for the project title "Drive with Caution: The Return!"

The Streets Alive Program is a WA Road-safety and place-activation initiative delivered by Main Roads WA, the WA Local Government Association (WALGA) and the Town Team Movement. The program supports community-led projects designed to enhance safety and vibrancy of local streets.

REPORT DETAIL

The Nungarin CRC has been advised by Town Team Movement and Main Roads WA to make one project adjustment. The original scope included the purchase of five bins. The requested modification is to reallocate the cost of one bin towards the creation of a street mural.

A draft mural design is currently being prepared and will be presented to Council once received.

Council approval is required at this stage to confirm support for including the street mural within the project scope in order to progress the Streets Alive funding requirements.

The final artwork and a proposed installation location will be presented to Council for consideration at a later date.

In addition to the above, Council approval is requested to place two Grass Trees along Railway Avenue, Nungarin, as a streetscape enhancement supporting the objective of the project.

9.9 COMPLAINTS POLICY	
File Ref:	N/A

Author and Title:	Selina Sergeant Acting Chief Executive Officer
Declaration of Interest:	Nil
Voting Requirements:	Simple Majority
Attachment Number	9.9A Complaints Policy CM 4 9.9B Procedure complaint about alleged breach of code of conduct Council Members

COUNCIL RESOLUTION 26/03/26**Moved:** Cr G Coumbe**Seconded:** Cr W Lee

That Council resolves to amend Policy CM4 – Complaints by adding the following sentence under the Policy Intention section:

“This policy does not apply to code of conduct complaints. For code of conduct complaints, please refer to the relevant policy”.

Carried by Simple Majority: 7/0**For:** Cr de Lacy, Cr Coumbe, Cr Eksanow, Cr Lee, Cr Dayman, Cr Stobie, Cr Wegner**Against:** Nil**IN BRIEF**

The purpose of this item is to recommend the inclusion of a clarifying statement within Policy CM4 – Complaints to ensure that it is clear that the policy does not apply to Code of Conduct complaints. The amendment will address potential confusion arising from the differing legislative requirements for handling Code of Conduct complaints versus general complaints.

BACKGROUND

Under the *Local Government Act 1995* and associated regulations, a local government does not have the authority to determine that a Code of Conduct complaint is vexatious, frivolous, misconceived or lacking in substance. The Shire’s Code of Conduct complaint form accurately reflects this.

However, Policy CM4 – Complaints includes a provision enabling the CEO to label a complaint as vexatious for the purpose of restricting services. While this provision is intended for general administrative complaints, the wording may create ambiguity about whether it also applies to Code of Conduct complaints.

To ensure clarity and legislative alignment, it is recommended that Policy CM4 – Complaints explicitly states that it does not apply to Code of Conduct complaints.

REPORT DETAIL

A review of Council’s complaint policy has identified an inconsistency between the treatment of general complaints and Code of Conduct complaints. The CEO’s authority to designate a complainant as vexatious is limited to general administrative matters and cannot be applied to complaints made for Elected Member or Employee Code of Conduct related matters.

To remove any confusion, it is proposed that Policy CM4 – Complaints be updated to include a statement under the “Policy Intention” heading clarifying the separation between the two types of complaints.
